Ethiopia Shipping and Logistics Service
Kalit Truck Office
Ethiopia

Dear Hiring Manager,

I am excited to apply for the Inventory Control Officer position (Job Code: FFS/PAG/231-235) at Ethiopia Shipping and Logistics Service, as advertised in Negarit Gazeta. With a BA Degree in Logistics and Supply Chain Management from Ambo University (July 2023) and hands-on experience as a Warehouse Officer at Everest Apparel Ethiopia S.C. (September 2023-April 2025) and United Beverage S.C. (since March 2025), I am eager to contribute my expertise to your esteemed organization.

During my tenure at Everest Apparel Ethiopia S.C., I completed an internship and seminar, gaining practical experience in inventory control and logistics. I assisted the Shipping and Logistics team in preparing critical documents, including bills of lading, packing lists, and customs declarations, ensuring compliance with local, national, and international regulations. My responsibilities included monitoring inventory levels to optimize stock availability, conducting regular audits, and managing stock replenishment. Additionally, I collaborated with Mojo Dry Port and Ethiopia Airport, enhancing my skills in warehouse management, dispatch documentation, and supplier performance analysis.

I am particularly inspired by Ethiopia Shipping and Logistics Services commitment to sustainable development and innovative inventory control practices. Your focus on efficiency and ethical sourcing aligns with my professional values and aspirations. I am confident that my proactive approach, attention to detail, and strong communication skills will allow me to contribute meaningfully to your teams mission.

Enclosed is my resume, detailing my qualifications and achievements. I would welcome the opportunity to discuss how my skills align with your organizations goals. I am available for an interview at your convenience and can be reached at +251 937 089 169 or erdiasdukamo@gmail.com.

Thank you for considering my application. I look forward to the possibility of contributing to Ethiopia Shipping and Logistics Services continued success.

Sincerely,
Ermias Dukamo
