Kalit Truck Office

Ethiopia

Dear Hiring Manager,

I am excited to apply for the Inventory Control Officer position (Job Code: FFS/PAG/231- 235) at Ethiopia Shipping and Logistics Service, as advertised in Negarit Gazeta. With a BA Degree in Logistics and Supply Chain Management from Ambo University (July 2023) and hands-on experience as a Warehouse Officer at Everest Apparel Ethiopia

S.C. (September 2023 to April 2025) and United Beverage S.C. (since March 2025), I am eager to contribute my expertise to your esteemed organization.

During my tenure at Everest Apparel Ethiopia S.C., I completed an internship and seminar, gaining practical experience in inventory control and logistics. I assisted the Shipping and Logistics team in preparing critical documents, including bills of lading, packing lists, and customs declarations, ensuring compliance with local, national, and international regulations. My responsibilities included monitoring inventory levels to optimize stock availability, conducting regular audits, and managing stock replenishment. Additionally, I collaborated with Mojo Dry Port and Ethiopia Airport, enhancing my skills in warehouse management, dispatch documentation, and supplier performance analysis.

I am particularly inspired by Ethiopia Shipping and Logistics Services commitment to sustainable development and innovative inventory control practices. Your focus on efficiency and ethical sourcing aligns with my professional values and aspirations. I am confident that my proactive approach, attention to detail, and strong communication skills will allow me to contribute meaningfully to your teams mission.

Enclosed is my resume, detailing my qualifications and achievements. I would welcome the opportunity to discuss how my skills align with your organizations goals. I am available for an interview at your convenience and can be reached at +251 937 089 169 or erdiasdukamo@gmail.com.

To Whom It May Concern

It gives me great pleasure to recommend Ermias Dukamo Dubiso for your organization's post. This recommendation was provided at the request of Ermias, who has asked me to serve as a reference on his behalf.

I have known Ermias for the past four years as he has taken the following courses I teach: Government Procurement, Foreign Procurement, Distribution Logistics Management, and other significant courses related to his field of study. In addition, I knew as he has had real-world's work area exposure during his Practical Attachment and Seminar in Logistics and Supply Chain Management field. As an Instructor and facilitator of the department, I have had an opportunity to observe his participation and interaction in class and to evaluate Ermias's knowledge of the subject matter. As part of his practical work, the student was required to prepare the final Research Project work. His work is designed to measure his practical ability in his future endeavor. Besides, he passed the Exit exam given by the FDRE Ministry of Education. Further, his grade is evidence of this.

I hope this man can be a very good candidate who would contribute greatly to your organization's performance. Generally, the graduate prepared for a career in the field of logistics and supply chain management as
