Ethiopia Shipping and Logistics Service
Kalit Truck Office

Dear Hiring Manager,

I am writing to express my interest in the Inventory Control Officer position at Ethiopia Shipping and Logistics Service, Kalit Truck Office, as advertised in Negarit Gazeta (Job code: FFS/PAG/231-235). I graduated from Ambo University with a BA Degree in Logistics and Supply Chain Management on July 19, 2023. I have relevant work experience as a Warehouse Officer at Everest Apparel Ethiopia S.C. from September 4, 2023, to April 1, 2025, and at United Beverage S.C. since March 24, 2025.

During my time at Everest Apparel Ethiopia S.C., I was responsible for overseeing inventory levels, conducting regular audits, and ensuring the accuracy of stock records. My duties included:

- Overseeing the receipt of incoming shipments, ensuring that the correct items and quantities were delivered.
- Organizing and maintaining the warehouse layout for efficient storage and retrieval of products.
- Picking, packing, and preparing orders for shipment to customers or other locations.
- Ensuring that safety protocols were followed within the warehouse to prevent accidents and injuries.
- Collaborating with cross-functional teams to improve processes that enhanced overall productivity and reduced costs.

At United Beverage S.C., I have further honed my skills in inventory management. My responsibilities include:

- Regularly assessing inventory levels to ensure optimal stock levels are maintained, preventing overstock or stockouts.
- Analyzing inventory data to forecast demand and make informed decisions about purchasing and stock management.
- Conducting regular inventory audits to verify the accuracy of stock records and reconcile discrepancies.
- Generating reports on inventory status, trends, and performance metrics for management review.

- Developing and implementing strategies to improve inventory accuracy, reduce costs, and enhance overall efficiency.
- Working closely with procurement, sales, and warehouse teams to align inventory levels with business needs.

I am eager to contribute my expertise in inventory control and warehouse management to support your goals of operational excellence and customer satisfaction. I am confident that my hands-on experience, combined with my proactive approach to problem-solving and process improvement, will make me a valuable asset to your team.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences align with the needs of your organization in an interview.

Sincerely,
Ermias Dukamo
